FN1 - The Commonwealth and ERS Final Applications were filed before completion of the interim process, when several interim applications were still pending and not yet approved by interim order. Thus, those Final Applications request the total fees and expenses approved on an interim basis ("TBD"). The interim applications are no longer pending and were approved on an interim basis. See October 2022 and March 2023 interim compensation orders [Dkt. Nos. 22727 and 23782]. Accordingly, the Fee Examiner will now recommend final approval of the total fees and expenses previously approved by the Court on an interim basis.

FN2 - Final fee request of \$7,328,471 05 is the total fees approved by interim order at the time of filing and does not include the fees requested but not yet approved (at the time of filing). The remaining interim applications were approved in October 2022. (See Dkt. No. 22727) and the final recommended adjustments incorporates the additional approved fees (as adjusted on an interim basis) for the Fourteenth and Fifteenth Interim Periods of \$290,062.50.
